## Project Summary

### Objectives

We defined the following specific objectives;

O1 - to contribute to the process of digitalising of school-life;

O2- to raise awareness on the importance of cultural heritage and to contribute to preserving and valuing our local cultural

and natural heritage;

O3 to equip students with digital competencies and skills in order to be capable to digitise our local cultural and natural

heritage;

O4- to raise students' cultural awareness;

### Activities

We are going to implement four Transnational meetings.

- Short Joint Staff Training Event

- Let's go digital, let's give a new digital chance to our worlds

Short-term Exchange of Groups of Pupils

- Digitised crafting in Posio

- Digital bridges connecting past to present

- Our virtual museum

### Impact

We expect to have the following results

R1- A digital guide- a guide including 6 digital tools to be used for educational purposes (lesson plans, tutorials etc.)

R2 A virtual museum-a digitised museum containing digital pieces in the museum of the Romanian school

R3 A podcasts library- a set of podcasts containing testimonials, stories of locals

R4 A video bank- a set of videos of the main historical and natural points

R5-A digitised Art collection of Ceramics handcrafted by students in Posio
