Tuesday 5 April 2022

08:15 [meeting at Venizelos statue square](#)

08:30 Departure for Elounda, a small fishing village on the northern coast of the island. A short stop at Agios Georgios Monastery, built during the 2nd Byzantine era in Selinari gorge.

10:30 Arrival at Elounda and departure for a boat-trip to the small island of 'Spinaloga' island . 'Spinaloga', was once a leper colony and fortress. That time free access to the island was prohibited , so communication and business of the inhabitants with the rest of the world was executed in a very protective way . That is an example of protective and strictly isolated community .

13:00 Departure for Aghios Nikolaos town

18:00 Return to Heraklion Mid-way a short stop to Organic Olive Oil - Business for a guided tour .

Wednesday 6 April 2022
